

Risk Management

Australian Football National Risk Protection Program

“If you don’t attack risks, risks will attack you”

Risk Management is one of the most important things you do every day. Wearing a seatbelt, doing your tax return or checking the grounds before a game are all forms of risk management.

“MANAGING RISK DOES NOT MEAN.”

- Risk Management helps you to identify, prioritise and address risks that will affect your club’s future.
- Risk Management is an ongoing process. It shouldn’t be a “task” that starts and ends.
- Most people associate risks with negative or dangerous situations. But risks can be both positive and negative.
- In most cases, risks are obvious, foreseeable and real that will have an effect on your club’s future.

All clubs must take risks. Risk management is about deciding which risks to take and how to manage their outcomes. Good risk management means quality assurance for your players, coaches, spectators and volunteers.

Disclaimer: The Discretionary Trust Arrangement is not an insurance product, because one element of the Arrangement involves the Trustee’s absolute discretion whether or not to pay a Claim and how much to pay. The Discretionary Trust Arrangement is a Managed Investment Scheme made up of two parts: The Scheme Cover and The Insurance Cover.

The Discretionary Trust Arrangement was established to help manage the Members’ risk of personal injury. For more information please read the Australian Football National Risk Protection Program Discretionary Trust Arrangement Product Disclosure Statement.

The Asset Protect and Personal Injury covers are each provided through a Discretionary Trust Arrangement. Each Discretionary Trust Arrangement is issued by the Trustee, JLT Group Services Pty Ltd (ABN 26 004 485 214, AFSL 417964) (“JGS”). Any advice or dealing in relation to the Discretionary Trust Arrangement is provided by JLT Risk Solutions Pty Ltd (ABN 69 009 098 864, AFSL 226 827) (“JLT”). The cover provided by the Discretionary Trust Arrangements is subject to the Trustee’s discretion and/or the relevant policy terms, conditions and exclusions.

Marsh Advantage Insurance Pty Ltd (ABN 31 081 358 303, AFSL 238369) (“Marsh”) arranges and provides any advice in relation to general insurance products (i.e. not the Discretionary Trust Arrangement) and is not the insurer.

Marsh, JGS and JLT are part of the Marsh McLennan group of companies and remunerated for the services they provide including though commission from insurers and/or fees charged to product holders. Ask us for more details before we provide you with any services (you can contact us on +61 2 8864 8888).

This page contains general information and does not take into account your individual objectives, financial situation or needs. You should consider these and the product terms before making a decision about a product. For full details of the terms, conditions and limitations of the covers, refer to the specific policy wordings and/or Product Disclosure Statements. These are available on request from Marsh (in respect to general insurance policies) and JLT (in respect to the Discretionary Trust Arrangements).

Any statements concerning actuarial, tax, accounting, or legal matters (including case law) are based solely on our experience as insurance brokers and risk consultants and are not to be relied upon as actuarial, accounting, tax, or legal advice, for which you should consult your own professional advisors.
