Insuring Clause

Subject to the exclusions, conditions and other terms of this Policy, the Insurer(s) agree to indemnify the Insured in respect of their liability to pay compensation (including claimants' costs and expenses) for claims arising out of Personal Injury and/or Property Damage and/or Advertising Liability occurring during the Period of Insurance all as covered by and defined in the Policy specified in the Schedule and issued by the "Primary / Underlying Insurer(s)" stated therein.

Limits

PROVIDED ALWAYS THAT:

- (a) liability attaches to the Insurer(s) only after the "Primary / Underlying Insurer(s)" have paid or have been held liable to pay the full amount of their respective Ultimate Net Loss liability as specified in the Schedule and designated "Primary / Underlying Limits(s)" and the Insurer(s) shall only be liable for a further amount of Ultimate Net Loss as is set forth in the Schedule under the designation "Excess Limit(s)" in excess of the "Primary / Underlying Limit(s)".
- (b) Neither the inclusion of more than one entity in the name of the Insured nor the addition of any additional Insured under this Policy shall, in any way, operate to increase the Insurer(s) "Limit of Liability" beyond that provided for under "Excess Limit(s)" in the Schedule.

Definitions

- (a) Ultimate Net Loss: The words "Ultimate Net Loss" shall be understood to mean the amount payable in settlement of the liability of the Insured after making deductions for all recoveries and for other valid and collectible insurances, excepting however the policy(ies) of the "Primary / Underlying Insurer(s)", and shall exclude all Costs.
- (b) Costs: The word "Costs" shall be understood to mean investigation, adjustment and legal expenses (excluding, however, all office expenses of the Insured, all expenses for salaried employees of the Insured and general retainer fees for counsel normally paid by the Insured).

Conditions

- (a) **INCURRING OF COSTS:** In the event of a claim or claims arising which appear likely to exceed the “Primary / Underlying Limit(s)”, no Costs shall be incurred by the Insured without the written consent of the Insurer(s).
- (b) **APPORTIONMENT OF COSTS:** Costs incurred by or on behalf of the Insured with the written consent of the Insurer(s) and for which the Insured is not covered by the “Primary / Underlying Insurer(s)”, shall be apportioned as follows:
- (i) should any claim or claims become adjustable prior to the commencement of trial for not more than the “Primary / Underlying Limit(s)”, then no such costs shall be payable by the Insurer(s)
 - (ii) should, however, the amount for which the said claim or claims may be so adjustable exceed the “Primary / Underlying Limit(s)” then the Insurer(s), if they consent to the proceedings continuing, shall contribute to the Costs incurred by or on behalf of the Insured in the ratio that their proportion of the Ultimate Net Loss as finally adjusted bears to the whole amount of such Ultimate Net Loss
 - (iii) in the event that the Insured elects not to appeal a judgment in excess of the “Primary / Underlying Limit(s)”, the Insurer(s) may elect to conduct such appeal at their own cost and expense and shall be liable for the court costs and interest incidental thereto, but in no event shall the total liability of the Insurer(s) exceed the “Limit of Liability” as provided for herein, plus the expenses of such appeal.
- (c) **APPLICATION OF RECOVERIES:** All recoveries or payments recovered or received subsequent to a loss settlement under this Policy shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between the Insured and Insurer(s), provided always that nothing in this Policy shall be construed to mean that losses under this Policy are not payable until the Insured’s Ultimate Net Loss has been finally ascertained.
- (d) **ATTACHMENT OF LIABILITY:** Liability to pay under this Policy shall not attach unless and until the “Primary / Underlying Insurer(s)” shall have admitted liability for the “Primary / Underlying Limit(s)” or unless and until the Insured has by final judgment been adjudged to pay an amount which exceeds such “Primary / Underlying Limit(s)” and then only after the “Primary / Underlying Insurer(s)” have paid or been held liable to pay the full amount of the “Primary / Underlying Limit(s)”.
- (e) **MAINTENANCE OF UNDERLYING INSURANCE:** This Policy is subject to the same terms, Definitions, Exclusions and Conditions (except as regards the premium, the obligation to investigate and defend, the renewal agreement (if any), the amount and limits of liability other than any deductible or self-insurance provisions and except as otherwise provided herein) as are contained in or as may be added to the policy of the “Primary / Underlying Insurer(s)” prior to the happening of an occurrence for which claim is made hereunder. Should, however, any alteration be made in the premium for the policy of the “Primary / Underlying Insurer(s)” during the currency of this Policy, Insurer(s) reserve the right to adjust the premium hereon accordingly.

It is a condition of this Policy that the policy(ies) of the “Primary / Underlying Insurer(s)” shall be maintained in full effect during the currency of this Policy

except for any reduction of the aggregate limits contained therein solely by payment of claims in respect of occurrences during the "Period of Insurance".

In the event of reduction of the aggregate limits of liability of the Primary / Underlying insurance(s), this Policy shall pay the excess of the reduced aggregate limit. In the event of exhaustion of the aggregate limits of liability of the Primary / Underlying insurance(s) this Policy shall continue in force as Primary insurance and the deductible set forth under the said Primary / Underlying insurance shall apply to this Policy.

- (f) **CANCELLATION:** The Insured may cancel this Policy by giving thirty (30) days' notice in writing to the Insurer(s).

After cancellation by the Insured the premium for the period to cancellation shall be adjusted on a pro-rata basis and the Insured shall be allowed a return premium of ninety (90) per cent of the premium amount so calculated.

The Insurer(s) may cancel this Policy in any of the circumstances set out in Sections 60 and 61 of the Insurance Contracts Act, 1984 (as amended).

- (g) **NOTIFICATION OF CLAIMS:** The Insured shall give written notice as soon as reasonably practical to the insurance intermediary through whom you arranged this insurance in the first instance of any claim made against the Insured (or any specific event or circumstance that may give rise to a claim being made against the Insured) which is likely to exceed 25% of the total "Primary / Underlying Limit(s)".
