Insuring Agreements Coverage Section A, B & C – General and Products Liability

1. Coverage

The Insurer will pay to or on behalf of the Insured all sums which the Insured shall become legally liable to pay by way of damages (which includes amounts owing or liability incurred in respect of or arising out of a claim for recovery or contribution made pursuant to legislation concerning the operation of any statutory compensation scheme) in accordance with the law of any country or assumed under contract or agreement in respect of Personal Injury or Property Damage or Advertising Liability first happening during the Period of Insurance as a result of an Occurrence within the Territorial Limits in connection with the Insured's Business or Product.

2. Limit of Liability

The limit of the Insurer's liability in respect of any one Occurrence shall not exceed the Limit of Liability.

The total aggregate liability of the Insurer during the Period of Insurance for all claims arising from the Insured's Product shall not exceed the Limit of Liability for Products Liability.

3. Defence Costs

With respect to the indemnity afforded by this Policy the Insurer will:

- (a) defend at its own cost in the Insured's name and on the Insured's behalf any suit against the Insured alleging Personal Injury or Property Damage or Advertising Liability and seeking damages on account thereof even if such suit is groundless, false or fraudulent, but the Insurer shall not be obligated to pay any claim or judgement or to defend any suit after the applicable Limit of Liability has been exhausted by payment of judgements or settlements. The Insurer will keep the Insured informed if requested to do so;
- (b) pay all expenses incurred by the Insured, all charges, costs or expenses recoverable from or awarded against the Insured in any such suit and all interest on the entire amount of any judgement therein which accrues after entry of the judgement and before the Insurer has paid or tendered or deposited in court that part of the judgement which does not exceed the limit of the Insurer's liability hereon;

- (c) pay premiums on appeal bonds and/or security for costs required in any such suit and pay premiums on bonds to release attachments in any such suit for an amount not in excess of the applicable Limit of Liability of this Policy, but the Insurer shall have no obligation to apply for or furnish any such bonds and/or security for costs;
- (d) pay all charges, costs or expenses (including actual loss of earnings) incurred by the Insured either at the Insurer's request or with the Insurer's consent or reasonably in the investigation, defence or settlement of any claim or suit;

The amounts thus incurred are payable by the Insurer in addition to the applicable Limit of Liability of this Policy.

Wherever the Insurer's consent to the Insured incurring an expense or taking a step is required herein, the Insurer's consent must not be unreasonably withheld. In order to be sure that the Insured is covered under this Policy, the Insured should always contact the Insurer for approval before the Insured incurs costs they wish to claim. If the Insured does not, the Insurer may pay for costs incurred up to the amount the Insurer would have authorised had the Insured sought approval from the Insurer first.
