Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

Subject to the Cancellation General Provision, if you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Policy Wording

This **Policy** has two coverage sections:

- Section 1 – Professional Indemnity; and
- Section 2 – Public Liability.

Individual coverage sections set out the Insurance Covers and Extensions applicable to those individual sections. There are also Exclusions, Definitions and Conditions that may apply to each coverage section or both coverage sections.

If we issue you an insurance policy, a Policy Schedule will also be provided. The Policy Schedule will set out details of the cover provided and should be read together with this policy wording.

Claims Made and Notified

Section 1 – Professional Indemnity of this **Policy** contains *claims-made and notified* Insurance Covers and extensions.

This means that those Insurance Covers and extensions will only cover **Claims** first made against you during the **Policy Period** and notified to the **Insurer** as soon as practicable in the **Policy Period** or any applicable extended reporting period. This **Policy** may not provide cover for any **Claims** made against you if at any time prior to the commencement of this **Policy** you became aware of facts which might give rise to those claims being made against you.

Section 40(3) of the *Insurance Contracts Act 1984* provides that where you gave notice in writing to an insurer of facts that might give rise to a claim against you as soon as was reasonably practicable after you became aware of those facts but before insurance cover provided by an insurance contract expires, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of insurance cover provided by the contract.

This **Policy** excludes prior **Claims** and circumstances as outlined in the “*Prior Claims and Circumstances*” Exclusion.

If the **Limit of Liability** (Aggregate) is exhausted by any **Claim, Claims** and/or **Defence Costs** during the **Policy Period**, subject to the provisions below **Insurers** will reinstate the **Limit of Liability** (any one **Claim**) for any two subsequent totally unrelated **Claims** arising from the performance of **Healthcare Services** made during the **Policy Period**.

If the **Policyholder** has in effect any excess layer policy or policies providing excess layer coverage for limits in excess of the **Limit of Liability**, the reinstatements provided will each only become effective after the total exhaustion of the limits of all such excess coverage by reason of the payment of indemnity thereunder but prior to any similar reinstatement provision contained in such policy or policies becoming effective. The **Policyholder** agrees to notify the **Insurer** of such excess layer policies within 14 days of the inception of the **Policy**.

It is the intention of this extension, and it is agreed, that the sums reinstated shall:

- (i) provide cover in respect of subsequent **Claims** arising from the performance of **Healthcare Services** which are totally unrelated to the **Claims** or circumstances that give rise to the **Claims** already notified;
- (ii) not apply to the balance of any **Claim** which contributed to the exhaustion of the **Limit of Liability** (Aggregate) once the **Limit of Liability** (Aggregate) is so exhausted;
- (iii) not apply to any Standard Extension, Optional Extension or for which a Sub Limit of Liability is provided for in this **Policy**, or the “*Public Relations Expenses*” Risk Management Extension; and

For the avoidance of doubt the **Insurer** will not be liable for the **Agent's**, locum tenens' or consultant's own liability, or be prevented from pursuing a recovery from any **Agent**, locum tenens or consultant nor will it be liable for any vicarious liability for any contractual liability assumed by the **Agent**, locum tenens or consultant under a contract.

The **Insurer’s** liability to indemnify the **Insured** under this Extension is subject to a sub-limit of \$100,000 in the aggregate for the **Policy Period**.

No **Retention** shall apply to this extension.

Allocation

Where any **Claim** or **Occurrence** which arises from both covered matters and matters not covered by this **Policy**, the **Insurer's** liability under this **Policy** is limited to the proportion of the **Claim** or loss arising from an **Occurrence** which represents a fair and equitable allocation between each **Insured** and the **Insurer**, taking into account the relative legal and financial exposures attributable to covered matters and matters not covered under this **Policy**.

Allocation Disputes

If the parties are unable to agree on the fair and equitable allocation between covered matters and not covered matters, then this is to be referred for determination by an independent **Senior Lawyer**. The **Senior Lawyer** is to determine the fair and equitable allocation as an expert, not as an arbitrator.

The **Policyholder** (or its designee) and the **Insurer** may make submissions to the **Senior Lawyer**. The **Senior Lawyer** is to take account of the parties' submissions, but the **Senior Lawyer** is not to be fettered by such submissions and is to determine the fair and equitable allocation in accordance with his or her own judgment and opinion. The **Senior Lawyer's** determination shall be final and binding.

The costs of the **Senior Lawyer's** determination are to be borne by the **Insurer**.

For so long as the amounts to be paid under the **Policy** remains un-agreed and undetermined, the **Insurer** shall pay the proportion which it considers represents a fair and equitable allocation. - (iv) use its best endeavours to preserve any property, products, appliances, plant or other things which might prove necessary or useful by way of evidence in connection with any **Claim** or any other claim, writ, summons, impending proceedings, impending prosecution or inquest and, so far as may be reasonably practicable, no alteration or repair shall be effected without the **Insurer's** consent until the **Insurer** has had the opportunity of inspection; and
- (v) take all reasonable steps to prevent other **Personal Injury** or **Property Damage** arising out of the same or similar conditions.

Defence/Settlement

The **Insurer** does not assume any duty to defend, and the **Insured** shall defend and contest any **Claim**, or any other claim, writ, summons, impending proceedings, impending prosecution or inquest arising directly from an **Occurrence**, made against them unless the **Insurer**, in its sole and absolute discretion, elects in writing to take over and conduct the defence and settlement of any **Claim** or any other claim, writ, summons, impending proceedings, impending prosecution or inquest arising directly from an **Occurrence**. If the **Insurer** does not so elect, it shall be entitled, but not required, to participate fully in such defence and the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer**. The **Insurer** has the right at any time after notification of a **Claim**, or any other claim, writ, summons, impending proceedings, impending prosecution or inquest arising directly from an **Occurrence**, to make a payment to the **Insured** of the unpaid balance of the **Limit of Liability**, and upon making such payment, all obligations of the **Insurer** to the **Insured** under this **Policy**, including, if any, those relating to defence, shall cease.

In the event that payment is made under the "Advanced Defence Costs" Insurance Cover, and it is determined that such **Insured** is not entitled to such payment under this **Policy**, each **Insured** will repay the **Defence Cost** to the **Insurer** for such amounts paid.

Insurer's Consent

As a condition precedent to cover under this **Policy**, no **Insured** shall admit or assume any liability, enter into any settlement agreement, consent to any judgment, or incur any **Defence Costs** without the prior written consent of the **Insurer**. Neither the **Insurers'** right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the **Insured** or others, to determine or warrant that such property or operations are safe.
